4 weeks (6 Hours per week) | Time : 3 pm - 6 pm  
Every week - Thu - Fri

Offer Valid upto 21-01-2022  
Limited Seats Available

**Course Charges** INR 25,000/-

**Early Bird Discount** INR 8,900/-

**Effective Price** INR 16,100/-

Including Course Reference Book | GST Extra

AIPMA's AMTEC, in collaboration with FIPS very successfully completed Executive Development Program(EDP) #1 and #2. Both the program topics were very carefully selected in such a manner that the softer learnings from these two courses help industry professionals to enrich and upskill themselves. Superior knowledge not only enhance value to one self but the entire eco-system of product and process. Superior quality or assured quality product fetch better price realization.

## KEY TAKEAWAYS

### Flexible Plastic packaging

- Innovative forms of Plastic packages
- Shrink and Stretch film – Materials & Process, new trend

### Semi Rigid packaging

- Plastic multi- squeezable tube

### Rigid Plastic Packaging

- Moulded Container ( Compression, Blow, Injection, Stretch blow, Rotational moulded)
- Caps and Closures

### Plastic packaging machinery

- Form- fill- seal machine
- hermoformed Machinery

## EMINENT FACULTY

### Prof. N. C. Saha

Chairman & Director, FIPS and Former Director, Indian Institute of Packaging, Govt. of India.

### Dr. A. K. Ghosh

Professor ( Material Science and Engineering)

### Mr. M. K. Banerjee

Director (Innovation, Sustainability & Finance), FIPS
