AIPMA's AMTEC TECHNOLOGY ROUNDTABLE WITH INDUSTRY

13th January, 2023 at AMTEC Building Mumbai

AIPMA's AMTEC - Your GROWTH PARTNER

Discussion:

The main aim was to make the Plastic Industry aware of the need for training and where AMTEC can work as the catalyst to help upskill the Industry Manpower.

Discussions on the pain points that the Industry faces pertaining to skilled manpower were addressed and solutions were forged.

Industry connect with academia was discussed and suggestions were noted.

Outcome:

- A course on Hot Runner Systems was launched with Yudo Hot Runner India Pvt. Ltd. as knowledge partner.
- A second edition of the Executive Development Program on Plastics in Packaging was announced to begin from 24th March, 2023.
- AMTEC joined hands with Welingkar Institute to conduct 6 months courses on Certificate Program in Marketing Management & Certificate Program in Manufacturing Excellence
- Collaboration with ITI Don Bosco for On Job Training for their students.
- Attended by over 60 people from the Industry & academia
- Active participation from Packaging Industry, Tool & Die makers, Injection Molding, Associations and Institutes
