

## REPORT ON **AIPMA's AMTEC** Certificate Distribution Ceremony of 136 Students

Date: 27<sup>th</sup> September 2024

Venue: AIPMA's Amtec, A-53, Street No. 1, Marol MIDC Industry Estate,  
Andheri East, Mumbai, Maharashtra 400093.

The Certificate Distribution Ceremony of 136 students which was a grand success, was one of the highest numbers in the history of AMTEC.

The ceremony was attended by 85 students, even in hostile weather along with the faculties, HOD's and Principals from different colleges/ITI's .

Presence of Arvind Mehta (Chairman of AIPMA's AMTEC), Manoj R Shah (President of AIPMA) & Mayur Shah (Co Chairman of AIPMA's AMTEC) made this event more valuable.

AMTEC has **placed 27 students at a yearly average package of INR 3,00,000 to INR 4,50,000 at companies like Dental Illusion PVT LTD, Cosmos Impex PVT LTD and CAD CAM GALAXY.** Rest of the students are pursuing higher studies. This CSR initiative changed the lives of 100 such families and has helped upskill and empower at least **850+ students till date.** With their futures now secured and their families at a better financial footing, each student looks forward to a brighter future ahead.

As a dedicated Centre of Excellence, AMTEC institute looks forward to continually training and upskilling talented students who wish to make a mark in India's Plastics Manufacturing sector and as a result, turn their lives around for the better. Their educational and developmental goals are in strong alignment with a New Bharat, an '**Atmanirbhar**' Bharat

## WOMEN EMPOWERMENT

The highlights of the event was **8 female students** out of 136 students who pursued this course. They travelled daily from different remote locations. Their attitude towards the career was highly motivated. It was good to see the support and faith of the parents towards their daughters in this field dominated by men. The increase in female students with every batch as we progress, we are proud to say that AMTEC is contributing in women Empowerment.

The principals of Jai Bhagawan ITI (Kalwa, Thane) & Saboo Siddik (Byculla) ITI were very impressed by the event, AMTEC facilities & the courses. They have shared their thoughts in their interview, praising about the VISION & MISSION of AIPMA's AMTEC.

And a few students from different colleges also have shared their views & experience about their journey from Academic to Industry.

It was quite a challenge for us in successfully completing the batch of 136 students from different colleges and different locations as we had to Adjust the timings for the students so that it would not affect their academics. And the support we received from the colleges and the ITI's is highly appreciated. As we all believe  
**Success is where preparation & opportunity meet.**
