## AMTEC AT WORK

**REPORT ON AIPMA's AMTEC 1<sup>st</sup> Convocation Ceremony**

## आत्मनिर्भर भारत की दिशा में AMTEC का महत्वपूर्ण योगदान; पहला दीक्षांत समारोह आयोजित

By Divya Rashtra - June 12, 2024

The 1st Convocation Ceremony which was a grand success, was attended by 92 students, 22 Dignitaries from AIPMA Office Bearer's, Managing & AMTEC Technical Committee Members.

41 Dignitaries attended from the Industry, College faculty, Media i.e. TV, Magazines and Newspapers.

All of the above attendees were happy with program and said they will be supporting AMTEC initiatives in the future as they are aligned with our vision of bridging the gap between academia and industry.

AMTEC has **placed 70+ students at a yearly package of INR 2,50,000 at companies like Japanese Multinational, Jay Precision, SVP Packing India Pvt Ltd and ARMS for Bajaj Auto, Varroc Polymers, Mahindra.** This CSR initiative changed the lives of 100 such families and has helped upskill and empower at least **745 students till date.** With their futures now secured and their families at a better financial footing, each student looks forward to a brighter future ahead.

As a dedicated Centre of Excellence, AMTEC institute looks forward to continually training and upskilling talented students who wish to make a mark in India's Plastics Manufacturing sector and as a result, turn their lives around for the better. Their educational and developmental goals are in strong alignment with a New Bharat, an 'Atmanirbhar' Bharat.

### GLIMPSES:SUCCESSFUL CONVOCATION CEREMONY.

Respected, AIPMA'S AMTEC MANAGEMENT AND STAFF, It was honoured and proud feelings to attend 1st Convocation ceremony on 12th Jun 2024. It was fabulous and goose bumps for me to see the talented trainees you are shaping. The humanity work you are doing for underprivileged students and conducting various courses at minimum charges, unbelievable! Superb Infrastructure, well maintained machinery, well qualified faculty, excellent well mannered front desk staff. Salute to the Partners and company who are contributing CSR Funding for future Technician/ Engineers .Our best wishes and hope to be in collaboration in near future too.

Dear John Stalin Sir, this is to convey my sincere thanks to be invited for the 3D convocation ceremony held at AIPMA, AMTEC, Andheri on the 12th of June 2024. The event was very well organized and attended by Plastic Industry dignitaries. The trainees who attended the convocation were very dressed and more important extremely well behaved. To have the Doordarshan director attending the function was a real feather to the cap. The address given by various dignitaries were apt and not lengthy. The convocation was planned and went in a proper planned manner. The program also did not go beyond the scheduled time. Kudos for having such a wonderful event and thanks once again for inviting us for the program. Thanks to the faculty and the Managing Committee of AMTEC, AIPMA.
