AMTEC AT WORK

TIE UP MEETINGS WITH VARIOUS COLLEGES FOR UPSKILLING

Bombay technical school of Engineering

Don Bosco Degree College

Viva college (Virar)

Mr. John Stalin visited above colleges and met their Principals for Upskilling Tie-up with AMTEC.

PLACEMENT ACTIVITY AT AMTEC

AMTEC recently arranged interviews at Progwell & Jay Precision Pvt Ltd.

Progwell is a leading VMC manufacturer in India, offering solutions to a wide range of companies. Two candidates were selected for positions as a Designer and Field Engineer at Progwell.

At Jay Precision Pvt Ltd, four candidates were selected. The company provides end-to-end solutions, from concept design and development to tooling and special-purpose machinery. Their commitment to delivering quality at the right price has been their core mission.

In its 30 years of operation, Jay Precision Products India Pvt Ltd has significantly expanded and diversified within the manufacturing sector, covering pharmaceutical devices, toys, precision-engineered components, special-purpose machines, and LED luminaires. This growth has been guided by the vision of their founder and MD, Mr. Xerxes Rao. We are thrilled that our candidates have been selected by such a prestigious company.

REPORT ON FICCI WEST INDIA SKILL CONNECT SUMMIT

Mr. Ajit Gupte, Centre Head, AMTEC attended the FICCI West India Skill Connect Summit focused on skill development and exploring new opportunities! The event was graced by Hon'ble Skill Minister Mr. Mangal Prabhat Lodha as the chief guest, & it was truly inspiring to hear his clear vision for Maharashtra's skill development initiatives!

During the open forum, Mr. Lodha emphasized that skill development is a key priority for the PM & the government. He assured that substantial budgets have been allocated to Maharashtra, ensuring that there will be no compromise in skilling the youth!

He highlighted government initiatives such as:

- Strengthening ITI tie-ups
- Advancing the Mukhyamantri KaryaPrashikshan Yojana
- Expanding skilling centers across the state

INDSUTRY SERVICES AT AMTEC

Many companies use 3D printing for rapid prototyping and also 3D Scanning, allowing them to quickly create models for testing and validation before moving into full-scale production.

This service is particularly valuable in product development cycles where time-to-market is critical.

At AMTEC, we have been providing 3D printing services to many companies which has helped, them in their new product development. Our customers are Multinationals, Big Corporates & also MSME.

Waste Management, Sorting Automation & Recycling Course

"Transforming Waste into Resources: Mastering Automation and Recycling for a Sustainable Future."

LAUNCHING SOON

VENUE:
