AMTEC AT WORK

UPSKILLING SEMINAR WITH BOMBAY TECHNICAL SCHOOL OF ENGINEERING
CHARNI ROAD

Mr. John Stalin along with Ms. Tanisha visited Bombay Technical school of Engineering, conducted an upskilling seminar. 17 Students were present for seminar and our team highlighted how AMTEC is playing key role in bridging the gap between industry and academia. Our team also met Principal Mr. Yusuf to give overview of AMTEC activities. The Batch of these selected students have started from 29th March 2025 upskilling at AMTEC.

Mr. Stalin addressing Bombay Technical School of Engineering students

PLACEMENT ACTIVITY AT AMTEC

We recently organized a job drive at Parasrampur Engineers Pvt. Ltd. (PEPL), one of India's largest manufacturers of hygiene films. Established 46 years ago, the company has been on a remarkable journey to turn our dreams into reality, focusing on hygiene films for the past 25 years. Starting with a small facility producing 80 MT/month of hygiene film in 1976, PEPL has grown into two state-of-the-art manufacturing plants, producing over 1200 MT/month, and providing employment to over 450 well-trained staff members.

As the market leader in hygiene films, Parasrampur Engineers Pvt. Ltd. has built a trusted reputation for quality and excellence among leading manufacturers of personal disposable hygiene products, including major MNCs and domestic manufacturers. They supply films to renowned brands like Mamy Poko, Unicharm, Johnson & Johnson, Nobel Hygiene, Rosmos, and Bella, among others.

We are pleased to announce that we sent five students for interviews at PEPL, and we are excited to share that all of our candidates have been selected.

5 Students from Kalwa ITI upskilled at AMTEC got selected at Parasrampur Engineers Pvt. Ltd. (PEPL),

AIPMA'S AMTEC LAUNCHING OF UPSKILLING COURSES IN HOT RUNNER SYSTEM (HRS) AND COMPUTER AIDED MANUFACTURING (CAM)

On March 28th, 2025, in Vasai East, Mumbai, AIPMA's AMTEC launched new courses focused on "Hot Runner Systems" (HRS) and "Computer-Aided Manufacturing" (CAM), aimed at equipping professionals and engineering students with skills in advanced injection molding and manufacturing technologies in association with our Knowledge partners, Yudo Hot Runner India Pvt Ltd 🇮🇳 and CAD CAM Galaxy 🇮🇳

Address by Chief Guest Mr. Dharmendra Gandhi Managing Director, Mutual Industries, Leaders in cutting edge manufacturing solutions in engineered polymer based components across India.

Address by Mr. Arvind Mehta Chairman AIPMA's AMTEC, briefing the audience about AMTEC Key Role in upskilling of students through AMTEC Courses and AMTEC commitment to give 100% placement to upskilled at AMTEC.

165+ participants from the Industry along with Industry Leaders, Dignitaries attended the Launch at Rudra Shelter International Hotel Vasai East. Chief Guest Mr. Dharmendra Gandhi from Mutual Industries along with AIPMA's President Mr. Manoj R Shah, Mr. Arvind Mehta, Chairman AIPMA's AMTEC, Technical and Managing Committee Members were present for the launch.

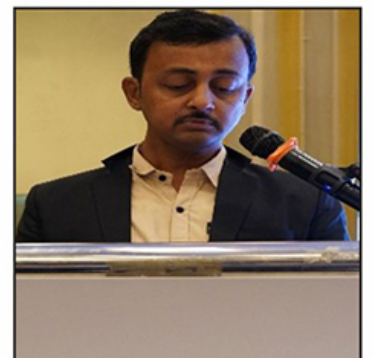

Shri. Rajan Naik, Honorable MLA, Nallasopra, was the Guest of Honor for the event and was very happy to see how AIPMA's AMTEC with its courses and employment support is bridging the gap between the Industries and academia. He was delighted to see AMTEC commitment to give 100% placement to upskilled at AMTEC.

The launched programs covered the important aspect of the requirement of these new courses in advanced injection molding and manufacturing technologies and how it will help in creating new job opportunities for the students and industry professional which will led to enhanced future of these students.

Mr. Vishal Agarwal President Yudo Hot Runner India Pvt Ltd presented In-depth analysis and importance of learning Hot Runner System (HRS) to the audience.

Mr. Nadeem Anasari – Proprietor CAD CAM Galaxy presented importance of Computer Aided Manufacturing (CAM) in modern day manufacturing by giving simple examples & demonstrated how to create files for programming VMC/CNC Machines.

The participants present at the event were happy with this new initiative by AIPMA's AMTEC and said they will be supporting AMTEC initiatives by participating in high numbers.

Mr. Ajit Gupte Centre Head AIPMA's AMTEC shared brief presentation on AMTEC Courses and importance and how it is aligning with the vision of **Prime Minister with a New Bharat, an 'Atmanirbhar' Bharat**. He then invited everyone on stage for the launch of the new courses.

The event was ended by Vote of thanks from Mr. Siddharth Shah, AIPMA's AMTEC Technical Committee Member, followed by networking Dinner.

In summary, the new courses will provide modern training on Hot Runner Systems focusing on design optimization and troubleshooting techniques while also offering comprehensive insights into Computer-Aided Manufacturing practices that will improve overall productivity.
