Arvind Mehta Technology and Entrepreneurship Centre (AIPMA's AMTEC) collaborated with Foundation for Innovative Packaging and Sustainability (FIPS) to organize a Curtain Raiser on our upcoming executive development program for industry and Students on Plastic in Packaging Testing and Evaluation of Packaging materials. It was held on 07th March, 2024 from 4pm to 5pm (IST), where renowned faculty from FIPS PROF. (DR.) N. C. SAHA Founder Chairman along with Mr. M. K. BANERJEE Director (Innovation, Sustainability & Finance -FIPS) made the participants aware Importance of testing packaging materials and its key role in plastics packaging industry. They also explain what topics will be covering in the 2 days program in AIPMA's AMTEC in our centre in Andheri to give an overview to the participant's insight of the program.

Our Chairman Shri Arvind Mehta also gave introductory remarks on AMTEC, its various program which are bridging the gap between industry and academic with his thought on our upcoming packaging program. The session was interesting and interactive.

A lot of interesting questions were asked by the participants, immense response and interaction with speakers was received. Participants Huhtamaki, Pla Industries, Elite Industries, Sree Vinayaka Plastics and also HOD from Government Polytechnic Miraj, Institute of Chemical Technology, and PVG COET participate to understand the program and share their insights with the students who required fine tuning pursuing their engineering to make the job ready.

All in all great response from all the 45+ participants and a very successful workshop that made our day. The program was concluded by very interesting remarks by our Centre Head Ajit Gupte sir and shared his inputs as to why the participants should be joining the program.
